

Starting Fall 2019, Cal State Monterey Bay will be celebrating its “silver jubilee,” continuing through commencement in Spring 2020. Help us celebrate by posting your pics to Instagram using the CSUMBy 25th Anniversary filter.

The CSUMBy filter will take one of your photos, fade the image, apply a “Bay Blue” border around it, and center the (un)official 25th Anniversary CSUMB logo to your photo.
